DATA PROTECTION ACT STATEMENT

As a member your details, as given on your application and subsequent renewal forms, are kept on a personal computer at the home of the membership secretary. They are used by the membership secretary on behalf of the Club to produce Club Mailing labels, Membership Lists and other extracted lists, such as volunteer helpers, using information given voluntarily by individual members on membership and renewal forms. This information is not given or sold to any third parties outside the Club, except where old handbooks containing the membership list, are sold at Club events & Crufts or given away to breed enquirers. If you do not wish your details to be published in the members list, please sign the appropriate statement overleaf. Please note that failure to sign either statement means that your details will be printed as normal. If you have any query or objection over this please contact the Membership Secretary [Lianne Marsden - membership@bernese.co.uk]

RULES AND CODE OF ETHICS

As well as its rules contained in the constitution, the Club does have a Code of Ethics pertaining mainly to the way members treat and deal with their Bernese. By means of this code the Club does recommend certain practices, particularly relating to breeding of Bernese. You should at least be aware of the content of the Code of Ethics because serious breaches could eventually result in your exclusion from the Club. A copy of the code should have been supplied with this form along with other information about the Club.

DECLARATION

I/We agree to be bound by the rules of the Bernese Mountain Dog Club of Great Britain and fully understand that the committee of the Club reserves the right to refuse an application for membership or at anytime review my/our continued membership within the procedures of the constitution. I am/We are aware of the Code of Ethics and will endeavour to consider its recommendations at all times.
