## 2022 MEMBERSHIP RENEWAL

### Polite Reminder

Dear 2021 Member,

**All membership renewals were due on January 1<sup>st</sup>** and you should have received a renewal form in December. If you have recently renewed your membership please ignore this reminder. Otherwise please note that this letter is to inform you that **you have yet to renew your club membership for this year**. Whilst I hope this is an oversight on your part, you should be aware that only paid up members may attend and vote at the A G M.

If you do not intend renewing your membership for whatever reason then may I thank you for your previous membership and I hope you may consider rejoining us at a future date. If there is a specific reason for your decision to leave then we would be interested to hear from you or if you have any particular problem with your club membership.

If you do intend to renew then please return this form and remittance as soon as possible in order that you do not forget and miss out on magazines or other mailings. Thank you for your continued support and interest in the club.

We would like to start to routinely email members (Via MailChimp) the various fliers that we regularly send you – for example, hip & elbow scores, items for sale in the shop, AGM minutes etc.. We would still try to send hard copies of club events literature such as the Garden Parties and the show schedules. Please could you indicate below what format you would like to receive these fliers:

- Email only – please make sure you include your email address overleaf
- Hard copies only
- Hard copies and email reminders
