Please note, Rule 4 of our constitutions states “if any member shall fail to pay the annual subscription by 1st February, the Committee shall have the power to erase his or her name from the list of members”.

Assistance at Events

As you will know a great deal of work is undertaken by the committee prior to and during events but it is usually supplemented by essential voluntary help on the day of the event. **If you can offer some help at a club event in 2018 please contact the event organiser** or any committee member. Help can be varied and can be just a few hours; you could help on the door at some events, in the car park, with refreshments, setting out or tidying up afterwards, taking entries, etc

Additionally, if you have **any specific talent, ability, contact, facility** etc which might be of help to the club in any way or would like to suggest alternative venues (contact details/prices please) then please feel free to offer, either above or to any committee member; we'd be **delighted** to hear from you!!.

And finally.....

We're aiming to cut our carbon footprint & reduce printing costs so club funds can be spent on other things. We would like to start to routinely email members (Via MailChimp) the various fliers that we regularly send you – for example, hip & elbow scores, items for sale in the shop, closing date reminders, etc. We would still try to send hard copies of club events literature such as the Garden Parties and the show_schedules. Please could you indicate below what format you would like to receive these fliers:

- Email only – please make sure you include your email address overleaf
- Hard copies only
- Hard copies and email reminders

Thank you from the committee
