

The Veterans List

Do YOU have an older Bernese over 8 years? If so we'd like to hear about them.

Some members will remember the Veterans List published in the magazine in previous years which was to support, encourage and highlight the older dogs in our club. Many owners and breeders understandably took great pride in having dogs on this list but unfortunately the list had to be discontinued.

We are really pleased to relaunch this listing for the same important reasons and invite all members who are the owners and breeders of our more senior Bernese to share the good news of their older dogs. Therefore if you are a club member with a Bernese Mountain Dog **8 years of age or over** please submit the simple details requested using the form below.

Please forward this completed form to **Debbie O'Toole** via **veterans@bernese.co.uk** or post to **Connemara, Drove Lane, Cold Ash, Thatcham, Berkshire RG18 9NL**. Alternatively, and probably easier for most, there is an **online version** of this form via the club web site, look for 'Veterans' in the Health section.

Please note that in order to keep the list meaningful we need you to remember to let us know when your dog finally says goodbye and reserve the right to remove from the listing dogs whose owners do not respond to update requests or who we haven't heard from for a while.

GDPR Statement: The dog's details as submitted will be published on the club website along with the owner's name as part of this list. All or part of this list may be repeated in the club magazine or handbook occasionally. Details will not otherwise be shared with any third parties and all details can be removed from the list at any time at the owner's request. All the information given below will be kept on a simple computer spreadsheet on a private personal computer while ever the dog remains on the list at which point all details will be removed.

PLEASE READ AND SIGN BELOW
