

Golden Jubilee Handbook

The 2021 handbook is a truly special edition as it will signify a moment in time to reflect and celebrate 50 years of the Bernese Mountain Dog Club of Great Britain.

Bernese lovers are invited to celebrate, promote and remember their beloved pets, show dogs and companions or special Bernese moments from the last 50 years. To honor such a pinnacle year, the club are offering members the following special rates.

As a Bernese lover there isn't a better opportunity to celebrate your beloved Bernese! We have received some questions from members about having a handbook page and I thought it would be helpful to share some further information with everyone.

Pages are available to ALL members across the world; pet owners, breeders, previous owners, carters, show people and everyone else in between - we'd love to hear from you all!

Here are some ideas from us about what to include on your page:

- Share your current dog(s)! (Who are they, how old are they, what makes them special to your family)
- Have you got a fabulous photo to share?
- Have they achieved anything you're super proud of? Therapy dog, good citizens award, obedience, show result - absolutely anything at all.
- Share your dogs from the last 50 years and maybe where your Bernese story started...
- Do you have some good news to share? A new addition, a veteran, a litter, some show/health results?
- Does your dog have a special relationship with someone that you would like to share and remember?

If you would like some help with creating your handbook page then please contact Emily Green (handbook@bernese.co.uk) with any photos and wording you would like to include.
